Stellenanzeige: Research Assistant

Stellenanzeigen-Kennnummer: 6477
Einrichtung: Institut für Astrophysik (ID 6477)
Ansprechpartner: Mr. Prof.Schleicher
Besetzungsdatum: ab sofort
Veröffentlichungsdatum: 15.12.2011

The Faculty of Physics at the Georg-August-Universität Göttingen is looking to fill the position of a

Research Assistant

at the Institute for Astrophysics with Prof. Dominik Schleicher. Regular working hours will be (currently 39,8 hours per week) with a limited contract of 2 years, with a possible extension by another year. This position should be filled early 2012. Salary: Pay grade 13 TV-L.

Your duties:
- Work on the research area of „The low-metallicity ISM: Metal enrichment, chemistry, feedback and magnetic fields“

Your profile:
- You hold a highly qualified PhD in Physics or Astronomy,
- The successful candidate should have a strong background either in the chemistry at low metallicity or magneto-hydrodynamical simulations (for instance with the FLASH code).

This post is designed to serve in fostering young researchers and scientists and give the successful applicant the opportunity to pursue a post-doctoral degree. The position is also suitable for half-time work.

The University of Göttingen is an equal opportunities employer and places particular emphasis on fostering career opportunities for women. Qualified women are therefore strongly encouraged to apply as they are underrepresented in this field. Disabled persons with equivalent aptitude will be favoured.

Please send your application with the usual documents (also in electronic form) within three weeks after publication of this advertisement to Georg-August-Universität Göttingen, Institute for Astrophysics, Prof. D. Schleicher, Friedrich-Hund-Platz 1, 37077 Göttingen, E-Mail: dschleic@astro.physik.uni-goettingen.de.

If you have any questions, please contact Prof. Dominik Schleicher (phone: 0049-551-395045, E-Mail: dschleic@astro.physik.uni-goettingen.de).

We request that you send us copies of your application documents, as no returns will be made. We will destroy the documents after a holding period of five months. Application documents will only be returned to you if you provide a self-addressed adequately stamped envelope.
Die Universität Göttingen strebt in den Bereichen, in denen Frauen unterrepräsentiert sind, eine Erhöhung des Frauenanteils an und fordert daher qualifizierte Frauen ausdrücklich zur Bewerbung auf. Schwerbehinderte Menschen werden bei entsprechender Eignung bevorzugt berücksichtigt.
